**SPECIALTY CLEANER**

# BRAKE PARTS CLEANER

F E A T U R E S

- Instantly removes grease, grime and other contaminants from brake units.
- Disassembly of brake units is not required
- Fast Drying
- Residue Free
- Non-Flammable

P R O P E R T I E S

**Appearance:** Transparent, colorless spray with a mild sweet odor.

**Boiling point:** Not Evaluated

**Specific gravity:** 1.50 gr/cc

**Non volatiles:** Not Determined

**Solubility in water:** Negligible

**Storage stability:** Keep away from high temperatures and oxidizing agents

**pH of liquid:** Not Determined

**Flammability:** Non-flammable aerosol

**Packaging:** 12x18oz. Net Wt. Cans/Case

BRAKE PARTS CLEANER is a non-flammable, high solvency cleaner that safely removes contaminants which cause brake wear, annoying squeals and chattering. It is ideal for use on all types of brake assemblies as it quickly removes brake fluid, grease, oil, road grime, and other damaging contaminants without the need to disassemble the brake unit. Application of this quick drying, residue free cleaner will extend the life of brake components and improve brake performance. To use, remove or protect any rubber parts and generously spray over all brake surfaces. Allow powerful flushing action to rinse away contaminants. Permit surfaces to air dry or wipe dry with soft, clean cloth. Do not use on plastics or painted surfaces. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
