- Fast penetrating action, cuts through grease, wax, paints and everyday dirt and soil
- Fast rinsing, low foaming
- Wipes off oils at contact
- Special for floor degreasing in restaurants
- Pre Spot Destainer for laundry and Carpet cleaning

P R O P E R T I E S

Appearance: Transparent orange liquid with citrus-orange odor

Boiling Point: 212 ° F

Specific gravity: 1.0 gr/cc

Chemical type: Citrus Terpenes Emulsion

Storage stability: Keep away from open flame in closed container and below 120 ° F

Non Volatiles: 85-90 %

Flammability: Non flammable

Solubility in water: Soluble

Evaporation Rate: Slower than water

Packaging: 15, 30, 55 gal drums
5 gal pails
4 x 1gal and 6 x 1gal cases
12 quarts case

- Properties are typical and subject to usual manufacturing tolerances.

CITRUS CLEAN 6 is a concentrated, heavy duty, fast acting citrus Terpene emulsion that penetrates, cleans and emulsifies oils and greases. This product is manufactured from organic plant and vegetable materials and a special surfactant blend. CITRUS CLEAN 6 can also be used to flush drains as a degreaser and an emulsifier where high solvency for rapid cleaning is required. It is recommended for use in Household, Institutional premises, Hotels, Mechanical Shops, Maintenance, Marine Applications, Printing Industry, Oil, Gas and Petroleum Industry, Water and Waste treatment. To use as a general cleaner, CITRUS CLEAN 6 can be diluted up to 40 times with water. In Laundry a dilution of 20 parts water can be used. For Pre Spot cleaning, apply undiluted on stains with spray bottle and allow to act for 2 or more minutes before washing. For Floor cleaning dilutions to 30 times and restoration dilutions to 20 times are recommended (4- 6 oz per gallon water). CITRUS CLEAN 6 is also ideal for cleaning hoods, stoves, tops, ovens and food processing equipment, with a dilution between 15-20 parts of water depending on soil conditions. Do not take internally. Avoid contact with eyes and skin. Refer to the attached SDS for additional precautions.
