

SPECIALTY CLEANERS

CITRUS LIFT

FEATURES

- Super concentrated Formula
- Excellent for Grease and oil dissolution
- Cleans, Degreases and Deodorizes
- Fast penetrating action, cuts through gums, grease, wax, paints and everyday dirt and soil
- Cleans and maintains drains, pipes and grease traps
- Wipes off oils on contact
- Emulsifiable Solvent Degreaser
- Non-Acid, Non-Caustic, Non-Corrosive
- Special for metal cleaning
- Pre Spot Destainer for laundry and Carpet cleaning
- Biodegradable and Environmentally safe; no V.O.C.'s

PROPERTIES

Appearance: Clear liquid with citrus-pine odor

Boiling Point: 310-330 °F

Specific gravity: 0.90-0.93 gr/cc

Chemical type: Citrus Terpenes blend

Storage stability: Keep away from open flame in closed container and below 120 °F

% Volatiles: 60-85 %

Flash point: 121 °F 49.4 °C

Flammability: Combustible liquid

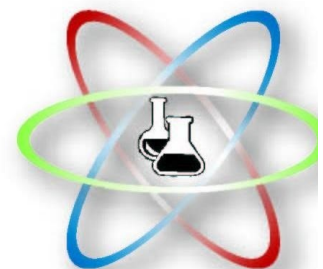

Solubility in water: Emulsifies

Evaporation Rate: Medium to fast

Packaging: Metal 55 gal drums
5 gal pails
4 x 1 gal cases

CITRUS LIFT is a super concentrated, heavy duty, fast acting citrus Terpene solvent blend that penetrates, cleans and dissolves even the heaviest greases. This novel product is manufactured entirely from organic plant and vegetable materials and a special surfactant blend. CITRUS LIFT is the perfect product for use as a drain opener, a degreaser and an emulsifier where high solvency for rapid cleaning is required. It is recommended for use in Household, Institutional, Automotive, Asphalt, Paving Industry, Adhesive Manufacturing, Mechanical Shops, Maintenance, Electronics, Marine Applications, Printing Industry, Medical, Pharmaceutical, Oil, Gas and Petroleum Industry, Water and Waste treatment. To use as a general cleaner, CITRUS LIFT can be diluted up to 80 times with water. In Laundry, a dilution of 60 parts water can be used. For pre-spot cleaning, apply undiluted on stains with spray bottle and allow to act for a couple of minutes before washing. For Floor cleaning and restoration, a dilution of 40 times is recommended (3-4 oz in one gallon of water). CITRUS LIFT is ideal for cleaning hoods, stoves, tops, ovens and kitchen equipment, as all the ingredients are approved by the USDA for use in Restaurants and public Cafeterias. For these applications, dilutions between 60 to 50 parts of water should be used, depending on the grease and the application. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
