

SPECIAL CITRUS DEGREASER

DO-1002 CITRUS PLUS

FEATURES

- Super concentrated Formula
- Excellent for floor cleaning and Restoration
- Cleans, Degreases and Deodorizes
- Biodegradable and Environmentally safe; no V.O.C.'s
- No Chlorinated solvents, Hydrocarbon solvents, or petroleum Distillates
- Non-Acid, Non-Caustic, Non-Corrosive
- Fast penetrating action, cuts through gums, grease, wax, paints and everyday dirt and soil
- Cleans and maintains drains, pipes and grease traps
- Wipes off oils at contact
- Special for metal cleaning

PROPERTIES

Appearance: Clear yellowish liquid with strong citrus odor.

Boiling point: >350 °F

Specific gravity: 0.90 gr/cc

Solubility in water: Emulsifies

Flash point: >200 °F

Storage stability: Keep away from heat and open flames

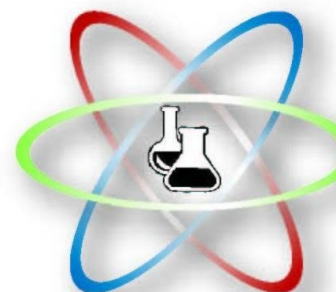

pH of liquid: Not Available

Flammability: Combustible

Packaging: 5 gallon Pail
55 gallon Drum

DO-1002 CITRUS PLUS is a totally biodegradable, heavy duty, fast acting citrus Terpene solvent, blended to penetrate, clean and dissolve even the heaviest greases. This novel product is manufactured entirely from organic plant and vegetable materials, selected solvents and a special surfactant blend. DO-1002 is the perfect product for use as a drain opener, a degreaser and an emulsifier where high solvency for rapid cleaning is required. It is recommended for use in Household, Institutional, Automotive, Asphalt, Adhesive Manufacturing, Mechanical Shops, Maintenance, Electronics, Marine Applications, Printing Industry, Medical, Pharmaceutical, Gas and Petroleum Industry, Water and Waste treatment. To use as a general cleaner, DO-1002 CITRUS PLUS can be diluted up to 80 times with water. In Laundry a dilution of 60 parts water can be used. For Pre Spot cleaning, apply undiluted on stains with spray bottle and allow to act for a couple of minutes before washing. For Floor cleaning and restoration a dilution of 40 times is recommended (3-4 oz in one gallon of water). All the ingredients of DO-1002 are approved by the USDA for use in Restaurants and public Cafeterias, therefore it is ideal for cleaning hoods, stoves, tops, ovens and equipment, with a dilution between 60 to 50 parts of water depending on the grease and the application. Do not take internally. Avoid contact with eyes and skin. Refer to the attached SDS for additional precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
