PROFESSIONAL CLEANING PRODUCTS

HEAVY DUTY DEGREASER A/C COIL CLEANER

G&C Condenser Coil A/C Cleaner

- No phosphates, no Nonyl phenols
- Totally biodegradable and safe to the environment
- Contains biodegradable solvents
- Excellent wetting and penetration.
- Free rinse Degreaser and Cleaner.
- Safe to use, safe on hands and safe to apply on all surfaces that can be washed with water.
- Can be used to remove mineral grease, animal fats and oils.
- Can be used on soft metals. coated metals, stainless steel, rubber and plastics.
- Can be used to remove mold and mildew residues
- Low solvents emissions
- Very Low alkalinity

Appearance: Clear light amber liquid with

no particular odor

Flash point: Non Flammable Specific gravity: 1.00 gr/cc

Non volatiles: 14-17 % Solubility in water: total

Chemical type: Low alkalinity,

Biodegradable degreaser

Storage stability: Stable in normal storage

conditions

Boiling point: 212 F

pH: 10.0-12.0

Packaging: 4 x 1 gallon case

GREEN AND CLEAN CONDENSER COIL A/C CLEANER is a unique Heavy Duty Degreaser formulated for A/C equipment, that contains very safe solvents and is formulated with totally biodegradable surfactants and active ingredients, making it very safe to the environment.

GREEN AND CLEAN CONDENSER COIL A/C CLEANER is safe to use to remove heavy soils, greases and oils on air conditioner coils, without the need for excessive scrubbing and rinsing. GREEN AND CLEAN CONDENSER COIL A/C CLEANER can be used on non-electrical A/C parts, provided a final water rinse is applied, and will also remove many types of soils from painted surfaces, plastics, rubber, metal parts, mechanical motors and hard surfaces in split system air conditioners.

Apply GREEN AND CLEAN CONDENSER COIL A/C CLEANER by spraying directly on surface un-diluted. Apply to surfaces with a hand sprayer or a pressure sprayer devise. For light duty jobs, can dilute 50% with water. Leave a few minutes, brush and scrub if necessary.

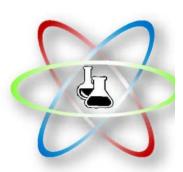

Using a pressure sprayer, rinse with water, then wipe with a clean cloth, if necessary. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
