

HEAVY DUTY DEGREASER

HD ENGINE CLEANER DEGREASER

F E A T U R E S

- Excellent wetting and penetration
- Fast rinsing
- Safe to use and safe to apply on all surfaces that can be washed with water
- Can be used to remove mineral grease, animal fat and oils
- Can be used on metals, stainless steel, plastics, rubber
- Great solvency
- Low solvents emissions
- Very Low alkalinity

P R O P E R T I E S

Appearance: Clear green liquid with citric odor

Flash point : Non Flammable

Specific gravity: 1.02-1.04 gr/cc

Non volatiles: 15-25 %

Solubility in water: Total

Chemical type: Low alkalinity Degreaser

Storage stability: Very Stable

Boiling point: 212 °F

pH : 10.5-11.5

Packaging: 5 gallon pail
55 gallon drum

- Properties are typical and subject to usual manufacturing tolerances.

HD ENGINE CLEANER AND DEGREASER is a Heavy Duty Degreaser that can safely be used to remove heavy soils, greases and oils from most surfaces, without the need for excessive scrubbing and rinsing. HD ENGINE CLEANER AND DEGREASER is extremely effective on mechanical motors, plastic, metal parts, rubber, and other hard surfaces. It is also versatile enough to be effective on carpets, glass, painted surfaces and floors. Simply apply by spraying directly on surface or dilute in water and apply with a mop or cloth. Leave a few minutes, brush if necessary and then rinse with water or wipe off with damp cloth. This special degreaser can be diluted between 5 to 50 times with water, depending on the job. Refer to the label and SDS for additional use information and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use
