

SPECIALTY CLEANER

LIQUID CARB CLEANER

FEATURES

- Dissolves carburetor deposits and fuel system contaminants
- Improves fuel system performance
- Cleans and Frees:
 - Carburetor Linkages
 - Heat Risers
 - Choke valves
 - Floats & Springs
 - Automatic choke adjustments

PROPERTIES

Appearance: Transparent liquid with aromatic odor

Boiling point: 220 °F

Specific gravity: 0.78 gr/cc

Non volatiles: 1-2 %

Solubility in water: Not Soluble

Flash point: (of concentrate) 10 °C

Storage stability: Keep away from high temperatures and open flames

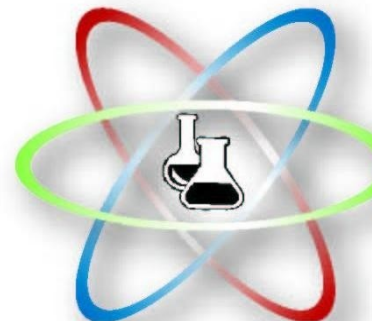

Flammability: Extremely Flammable

Packaging: 5 gal pail
55 gal drum

LIQUID CARB CLEANER is a fast acting formulation that dissolves carburetor deposits and fuel system contaminants such as gum, sludge, and varnish. It helps improve fuel system performance and insure maximum fuel economy. LIQUID CARB CLEANER cleans carburetor linkages, choke valves, heat risers, automatic choke adjustments, floats and springs without damaging Oxygen Sensors and Catalytic Converters.

Product is extremely flammable. Read all instructions and entire label before using product to prevent accidents. Refer to the attached SDS for precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
