

**CITRUS DEGREASER****MEGA CITRUS OFF****FEATURES**

- Citrus Cleaner Degreaser
- Degreases and Deodorizes
- Ideal for use on concrete and metal surfaces
- 100% Biodegradable
- Environmentally safe; Non-Acid, Non-Caustic, Non-Corrosive
- Contains no Petroleum Distillates

**PROPERTIES**

**Appearance:** Clear amber liquid with citrus orange odor.

**Boiling point:** >300 °F

**Specific gravity:** 0.85-0.87 gr/cc

**Non volatiles:** 80-90 %

**Solubility in water:** Emulsifies

**Flash point:** 127 °F

**Storage stability:** Keep away from high temperatures and open flames

**pH of liquid:** Basic (14)

**Flammability:** Flammable

**Packaging:** 12x16oz Net Wt. Cans/Case

MEGA CITRUS OFF DEGREASER is a natural formulation designed with Today's safety and environmental regulations in mind. It is the safest alternative to using chlorinated solvents for degreasing and cleaning metal surfaces. The heavy duty flushing action of MEGA CITRUS OFF quickly dissolves and removes grease, grime, asphalt, oil and tar without the use of harsh acids, alkalis or petroleum solvents. This high pressure spray penetrates, loosens and lifts soil away with ease. The cleaned parts can be air dried, leaving negligible residue, or can be rinsed with water. Refer to the label and attached SDS for instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
