GREASES

MULTIPURPOSE LITHIUM GREASE

FEATURES

- Multipurpose grease
- Contains no chlorinated solvents
- Withstands temperatures between 0 and 350 °F
- No hexane – No CFC's
- Excellent Water and Weather resistance
- Excellent Penetration and Lubrication
- Non-staining blue color indicates lubricated areas

PROPERTIES

Appearance: Thick paste with characteristic solvent odor

Water resistance: Excellent

Boiling point: +/- 160 °F

NLGI Grade: 2

Chemical type: Lithium grease

Flash Point: > 400 °F

Solubility in water: Negligible

Packaging: -35 lb pail
-120 lb pail

Multipurpose Lithium Grease is a powerful, weather resistant, multipurpose lubricant grease. This grease is formulated with materials that makes it water resistant and temperature resistant up to 350°F. **Multipurpose Lithium Grease** is an outstanding grease for every phase of lubrication. It is ideal for automobile doors, hoods and trunk lids, gears, chains, sprockets, linkages, slides, bearings, hinges, cranks, pinions and rollers in trucks and machinery. **Multipurpose Lithium Grease** penetrates like an oil and cures to a thick grease. Apply on clean dry surface or at lubrication points. Refer to the attached SDS for precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
