Solubility in water: Soluble

Flash point: None

Storage stability: Keep away from direct sun light and open flames

pH of liquid: 13

Flammability: Non-flammable Aerosol

Packaging: 12x18oz Net. Wt. Cans/Case

OVEN-X CLEANER is specially formulated to remove grease, grime, carbon build up, soot and other cooking spills from ovens and stoves. It is ideal for use on grills, racks, fryers and exhaust fans. Its special blend minimizes fumes and masks the harsh chemical odors with a mild citrus aroma.

Before using OVEN-X, protect floors and exterior cabinet trim from overspray and make sure to use gloves. Remove and clean racks separately. Shake well and spray at a distance of 8 to 12 inches. Allow foam to stand for 5 to 10 minutes before wiping clean. This product should be handled with care. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
