**Storage stability:** Keep away from strong oxidizers and open flames

**Flammability:** Non-flammable

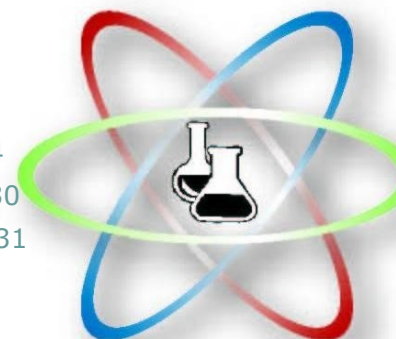

**pH of liquid:** 8-9

**Packaging:** 4x1 gallon Case  
5 gallon Pail  
55 gallon Drum

PINK LOTION HAND SOAP is a rich viscous hand cleaner made from the finest oils available. It contains effective grease and dirt solvers, skin emollients, and fragrance. Although a thorough skin cleanser, this lotion is extremely mild. Repeated use enhances skin softness and texture, rather than causing dermatitis or other skin disorders. In use with water this viscous liquid generates a rich, thorough cleansing lather. It lifts and removes grease and dirt from hard to reach area such as crevices around knuckles and under fingernails. Refer to the attached SDS for precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
