

HEAVY DUTY DEGREASER

SPECIAL SOLVENT C

FEATURES

- Fast Drying, Emulsifiable Solvent Degreaser
- Fast acting cleaner that removes a wide variety of organic soils.
- Wipes off oil on contact
- Ideal for use on Engines and Mechanical parts
- Low aromatic odor

PROPERTIES

Appearance: Transparent colorless liquid with aromatic solvent odor.

Boiling point: 350 °F

Specific gravity: 0.805 gr/cc

Non volatiles: 90%

Solubility in water: Emulsifies

Flash point: >144 °F

Storage stability: Keep away from high temperatures and ignition source

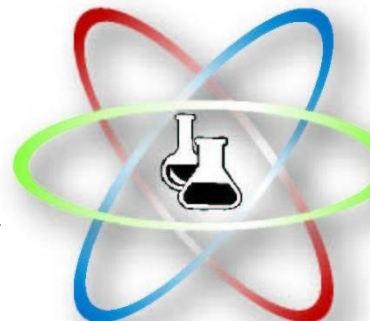

Flammability: F flammable

Packaging: 4x1 gallon Case
55 gallon Drum

SPECIAL SOLVENT C is a heavy duty, fast acting degreaser that penetrates even the heaviest soils, greases, oils and organic deposits. It dissolves and removes paint, grease, oils, tars, waxes, gums, sludge and lubricating compounds. SPECIAL SOLVENT C is ideal for cleaning stationary equipment, machinery parts, compressors, diesel engines, pumps, tanks, and many other applications.

To use, apply SPECIAL SOLVENT C as a wet spray to loosen and dissolve soils. Allow 1 to 3 minutes of contact before wiping off with cloth or rinsing with water. SPECIAL SOLVENT C can also be used in a tank or vat to immerse parts. Avoid prolonged contact with plastics and rubber. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
