Cherry, Strawberry, Mulberry, Potpourri Mint, Coconut, Pop Corn, Fresh & Clean, Baby Powder, Lavender, Lemon, Apple, Citrus, Vanilla, Plumeria, Orange, Pine Cone, Piña Colada, Tutti-Fruti and many more

SPRAY A DAY is a special combination of fragrance oils and selected solvents, formulated to provide a long lasting aroma sensations, with only one spray a day. SPRAY A DAY is formulated with leather and vinyl fragrances and odor fixers which slowly release fragrances over time. To use, spray the product on an area that will act as a wick to continuously release the fragrance, such as a bottom of seat, under rug or front panel. It can also be applied to a tissue or napkin and kept out of plain sight. Apply product on a small area of the target surface to test for any unwanted reaction. Do not apply SPRAY A DAY directly into air vents or plastic surface. Handle product with care avoiding direct inhalation or contact with eyes. Keep away from children's reach and from direct sun light. Also, keep away from heat and direct flame. Refer to the attached SDS for additional precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
