(with pump sprayers)
12x32oz bottles/Case
(with sprayers)

- Properties are typical and subject to usual manufacturing tolerances.

SUAVOL SPRAY Liquid Hand Sanitizer is a strong cleanser and hand sanitizer to be used on clean hands, to sanitize against bacteria and microorganisms. This special hand sanitizer leaves your hands clean, soft and with a pleasant aroma. Simply spray a small amount of SUAVOL SPRAY Liquid onto the palm, fingers and back of your hands and rub on all skin surface until dry. Wave hands or place under dryer to accelerate drying process. Does not need rinsing with water, however it is recommended to wash hands with water and soap after repeated use of this product. Can be used to sanitize surfaces, but not floors, because it could leave them slippery. Keep container closed when not in use. Avoid open flames or extreme heat; product is flammable. Avoid contact with eyes. Refer to the product's SDS for additional precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
