1x 55 gal Drum

- Properties are typical and subject to usual manufacturing tolerances.

SUAVOL is a strong cleaner and Sanitizer to be used on dirty or clean hands. This special hand sanitizer leaves your hands clean, soft and with a natural aroma. Simply pour a small amount of SUAVOL onto the palm of your hands and rub on all skin surface until dry. Wave hands or place under dryer to accelerate drying process. Avoid using on open wounds. Does not need rinsing with water, however it is recommended to wash hands with water and soap after repeated use of this product. Keep container closed when not in use. Avoid open flames or extreme heat, product is flammable. Avoid contact with eyes. Refer to the attached SDS for additional precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
