Flash point: None

Storage stability: Keep away from direct sun light and open flames

pH of liquid: 1-2

Flammability: Non-flammable

Packaging: 12 Quarts bottles
4x1 gallon Case
5 gallon Pail

SUPER GROUT is heavy duty, non fuming, buffered acidic detergent cleaner. It is safe to use, and designed to remove mold, fungus, algae, soap and heavy soil from grouting and hard ceramic tile surfaces, leaving a pleasant scent. It also removes hard water deposits, rust, scale, grease and organic deposits from hard surfaces. SUPER GROUT restores floors to its natural look. It can also be used to clean slightly porous concrete floors and hard metal surfaces as a rust remover. Do not use on aluminum, magnesium or soft metals.

Refer to the label and SDS for instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
