

## DEGREASERS

# XP-400

### FEATURES

- Industrial degreaser
- Safe alkaline cleaner
- Rapid action
- Excellent to remove fats, oils and grease
- Biodegradable
- Even highly diluted with water is very effective
- Economical

### PROPERTIES

**Appearance:** Transparent purple liquid

**Odor:** Slight solvent odor

**Viscosity:** Water like viscosity

**pH:** 14

**Specific Gravity:** 1.05 gr/cc

**Non volatiles:** 7-8 %

**Chemical type:** Alkaline degreaser

**Stability:** Keep in fresh storage, in original container

**Boiling Point :** 100 °C

**Flammability:** Non-Flammable

**Packaging:** 55 gallon Drum  
5 gallon Pail  
275 gallon Tote

- Properties are typical and subject to usual manufacturing tolerances.

**XP-400** is a high multipurpose, alkaline degreaser used to remove fat, dirt, oils and stains from floors and walls. It can be used on various surfaces including metal, plastic, rubber, fiber glass, and steel and is ideal for use in workshops, parking lots, marines, engines, restrooms, restaurants and laundry shops. It is biodegradable and can be used to clean restrooms and drains that go into sewer waters. **XP-400** can be diluted up to 5 times with water for light work and daily cleaning without need for much effort or time to do the job. **KP-400** is also low foam, and allows fast rinsing. Simply apply the product onto the desired surface using a sprayer or power spray, leave to act for a few minutes and rinse with a jet of water, mop or cloth. This product can damage the eyes and skin, handle with due care. Keep away from the reach of children. Refer to the attached SDS for additional precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
