pH: 12-13

Packaging:

12 x 19 oz Net Wt. Cans / Case

Properties are subject to usual manufacturing tolerances.

VINYL & SYNTHETIC LEATHER CLEANER is a fast, convenient, effective foam cleaner for chairs, sofas and desks covered with vinyl, plastic sheeting, synthetic coverings, or linoleum. It is also ideal for cleaning automobile interiors, vinyl roofs and convertible tops.

VINYL & SYNTHETIC LEATHER CLEANER is an excellent solution for emergency spot cleaning to prevent permanent damage from spills and accidents. It's unique and convenient "Spray Anyway Valve" makes it easy to apply to difficult to reach areas and allows application from any hand held position. Shake well and spray foam lightly onto surface then wipe off gently with a sponge or cloth. Do not allow run off to occur, as it may react with painted surfaces on autos.

Refer to the label for complete usage instructions and the SDS for important precautions and proper PPE.
