ODOR CONTROL

AC ODOR ELIMINATOR

FEATURES

- Eliminates organic odors from animal functions and secretions
- Special for rinse-free cleaning of AC units
- Cleans AC Coils and Reusable Filters
- Deodorizes and eliminates bad odors from mildew and organic waste
- Ready to apply and easy to use
- Leaves a pleasant soft fragrance to surfaces
- Safe to use
- Safe to the environment
- **Contains ingredients listed on the EPA Safer Choice Program**

PROPERTIES

Appearance: Clear light blue solution with low viscosity

Odor: Fresh & Clean

pH: 11-12

Specific gravity: 0.99-1.01 gr/cc

Boiling Point: 212 F

Non Volatiles: 3-5 %

Solubility in Water: Total

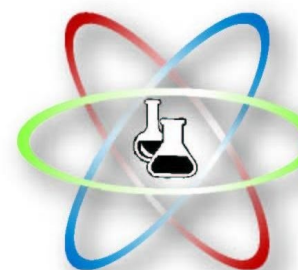

Chemical Type: Odor counteractant and solvents

Packaging: 12 x32 oz Case
4 x 1 gallon Case
5 gallon Pail
55 gallon Drum

- Properties are typical and subject to usual manufacturing tolerances.

AC ODOR ELIMINATOR is a liquid cleaner and odor neutralizer of high polarity, that eliminates malodors. It is specially formulated with cleaning agents and a chemical complex that has an engineered molecular structure to encapsulate, counteract and eliminate most unpleasant odors. It neutralizes odors caused by mold, mildew, cooking spices and drain backups, as well as the aromatic and heterocyclic molecules produced by organic waste, decomposition, food and soda spills, pets and bodily segregation. To apply **AC ODOR ELIMINATOR**, just spray a fine mist over the whole surface exposed to undesired odors, especially on the AC coil and filter, on the casing and ducts. This product can also be used to clean all the AC surfaces including the coil, vents and reusable filters with no further rinsing required. Remove excess from floors and hard surfaces, as it may become slippery. **AC ODOR ELIMINATOR** is safe to use, however consult the SDS for precautionary statements before using. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
